Submitted By Sidney Quarrier , June 17, 2021

Members present: Diane Schivera, Gary Roberts, Sid Quarrier
Meeting called to order at 7:05 p.m.

First order of business to consider approval of March 24th meeting. Motion to approve, no comments or corrections, . March 24, 2021 minutes approved by unanimous vote.

2. Second order of business to consider the sample contract for Comp Plan assistance , sample contract supplied by Bill Najpuaer of the Midcoast Economic Development District. This sample was recently presented to town of Belmont for their consideration for Comp Plan assistance. Mr Najpuaer indicated that a similar proposal could be made and offered to Appleton for work in updating the 2007 plan for approximately \$4,000.

After some discussion it was agreed that this type of assistance would be most useful assisting the Appleton Committee in completing its charge to prepare a revised plan ready for submission for approval by the State.

There was a motion to contact Mr Najpuaer and ask him to prepare a specific proposal for Appleton to consider ,and secondly to inform the board of Selectmen that our committee would like them to consider acting on and funding a contract with Midcoast, after a positive review by the Comp Plan Committee, for this work over the next two fiscal years.
The motion was approved by unanimous vote.

There being no further business, the date of the next meeting set for Wed May 26, 2021.
A motion to adjourn was passed.
